Happy Fall Programming!

We are looking forward to connecting with our families safely with "NEW" free programs!

Our programs will be creative, active and literacy based AND loads of fun! We will require pre-registration, no drop-ins allowed. To insure as many families as possible can participate, we ask that families register for only one program a week at this time.

For wonderful adventures together we will be hosting all in person programs outdoors this fall along with our online and Facebook programming. Check out our calendar schedule for a location nearest you!

Join us for a five week session of Jumping Gym Time, Let's Play Outdoors, Circle and Rhyme, or our Zoom Sing-a-long with Me. Our virtual family centre on our Facebook page will be available for everyone as well!

We are so excited to see everyone, so grab your jacket, outdoor shoes and your water bottle and come join the fun! We'll see you soon!

Kindest regards,
The Coalition Team

Procedure for attending Coalition programming

Hand Sanitization is required upon arrival and at the start of the structured part of our programming.

All participants will be asked screening questions upon arrival. If you answer yes to any of the questions, you will be asked to refrain from attending the program until you can answer "no" to all of the questions.

Social Distancing of two metres is to be followed at all times, with the exception of your family bubble

We encourage participants to bring a non-medical mask or face covering in the event two metre distancing is not possible.

Participants are encouraged to use the Manitoba Health COVID-19. Screening Tool at <https://sharedhealthmb.ca/covid19/screening-tool/>

Please stay home if you or your child are feeling sick.

Bring your own water bottles as there will no snack provided during the program.
